Rules of the Game:

Following the update from the FIVB Rules of the Game and Refereeing Commission over the enforcement of an appropriate game pace, circulated by the FIVB on April 25th, the following important points of reinstating **the 12-second rule between rallies**, will be applied:

1. **Immediate Side Change:** Players must cross directly under the net from their position on the court without delay. Exceptions apply only in specific cases where switching around the poles is quicker or if a force majeure event or previously certified injury, prevents direct crossing.
2. **Use of Towels for Sunglasses Cleaning:** Players may access the towel hanging on the rope connected to the pole on each side of the court only if necessary and without causing delays. However, towels will not be assigned to specific teams on either side.

Coaching at the field of play (test period):

Following a decision from the FIVB Board of Administration, a test phase allowing coaching at the field of play will be conducted during this event, **Coaching guidelines to support the implementation of the test** have been developed and are attached to the Event's Regulations document.

To register coaches associated with beach volleyball teams are now available in the VIS via <https://app.fivb.com/>.
