Country Quota Playoff – Optional only if applicable:

It is highly recommended to avoid any Country Quota Playoff onsite, due to the uncertainty of the availability of courts at the venue and also for the cost saving for teams to travel along the way and play this Playoff. However, NFs willing to organise Country Quota Playoff matches onsite should contact organisers directly within a week after the issuing of the Confirmed lists to explore such a possibility.

While the FIVB and CEV will attempt to facilitate the cooperation between the National Federations and tournament organisers, financial conditions must be offered through a rate card service by the tournament organisers.

Should the Country Quota Playoff matches be held on-site, matches should be organised on the same day of the Referee Clinic and before the Preliminary Inquiry of Qualification Tournament with a maximum of three (3) matches per gender for each National Federation and in single elimination format.
