CONTINENTAL TOUR ZONAL - PRACTICAL INFO

NUMBER OF TEAMS	<p>This is a 16 teams Main Draw competition. From the 2025 NEVZA Beach Volleyball Regulations:</p> <p>8.3. In a 16 team competition, 7 teams, based on FIVB entry points, will be entered into the Main Draw given that each NEVZA country is granted a minimum of one (1) spot. In addition, the host country will be granted a minimum of three (3) spots. If 5 or less NFs from NEVZA have registered teams for the competition, each NF will be granted a minimum of two (2) spots. There are two (2) wild cards to be determined by the NEVZA and local organiser. This gives a total of maximum 12 teams to be allocated spots in the competition based on FIVB entry points and guaranteed minimum number of teams per country. The final teams will be allocated spots either through a qualification event or through FIVB entry points among the remaining teams registered. In case of a tie, a draw will take place between the teams. There is no maximum number of teams per country allowed to participate.</p> <p>8.4. For the last entry spot a country is awarded in any tournament the respective NF can determine which team to be entered, no matter what entry points this team is given. This right must be communicated and exercised before the registration deadline.</p> <p>8.5. If there are teams with zero (0) FIVB entry points from a country, teams will be entered according to the ranking submitted by their NF. If more than one country has teams with zero (0) points that can be entered into the competition, a drawing of lots will decide the order between these countries and teams will then be entered one by one from the ranking submitted from the different NFs taking turns according to the given country order.</p>
