2. Participants

Participants: 12 teams per gender according to the FIVB National Team Ranking (as of August 30, 2024 for men and women, respectively) and considering the below criteria:

- National Teams not participating in the FIVB Volleyball Nations League 2025
- The 11 best ranked teams among those registered for the CEV European League 2025 plus the winners of the CEV Volleyball European Silver League 2024 (Men: Israel; Women: Portugal) will play the 2025 edition of the Golden League.

3. Competition Format

Further to the changes introduced in conjunction with the 2024 edition and the positive reviews received from the involved stakeholders, the competition format will continue to follow the same patterns as those introduced in the FIVB Volleyball Nations League. This means that each participating team will be playing host to a tournament / leg and will be contesting a total of six matches in the preliminary phase.

League Phase

- Each team is hosting one of the three-day tournaments (Friday to Sunday) with two opponents
- Each team will travel for two tournaments played away from home.
- Each team will play six matches in total with just as many different opponents.
- The 12 participating teams will be listed from 1 to 12 according to the CEV National Team Ranking as of August 30, 2024 for men and women.
- The number assigned to each team will determine who will host and participate in the respective tournaments.
- The hosting team will play their matches on the first and third day of the tournament.
- There will be one common table to define the final standing of the League Phase considering all teams and their respective matches played.

- Due to the specific competition formula, it will not be possible to modify the hosts, participants and dates defined for each tournament.
- Last ranked team of the CEV Volleyball European Golden League 2025 will be relegated to the CEV Volleyball European Silver League 2026.

Final Phase

- Final Four tournament – 1 organiser + three best ranked teams after the end of the League Phase. If Organiser after League Round is among the top three, the 4th ranked team will qualify to the Final Four tournament as well. If the organiser is not among the top four, the top three from the League Phase will join the host in the Final Four.
- The organisers of the Final Four are also required to compete in the League Phase.
- If there is no organiser of the Final Four, the semi-finals (1 vs. 4, 2 vs. 3) and finals will be played in home & away format, while the better ranked team will host the second match at home.

1. Match Calendar & Team Arrivals

Further to the information released through Official Communication no. 3, the organisers of the Men's Final Four have now confirmed the actual dates of the competition as July 5-6, 2025 and the tournament will take place in Brno Exhibition Centre, in the city of Brno instead of Ostrava as previously announced.

The match calendar for all 'home weekends' has been updated according to the respective CEV 07 Forms provided by the organising National Federations.

Please keep in mind that the match times might be subject to change due to the host broadcaster. If this is the case, we kindly ask the organising National Federations to communicate this with the CEV Office and directly with their respective opponents as well to avoid any organizational issues.

League Round

We would like to remind all participating teams that the official arrival day is minus one (-1) before the first match scheduled for each respective team. It means that any team playing their first match on a Friday will be arriving on Thursday and the team playing their first match on Saturday is due to arrive on Friday. If any team would like to arrive earlier (-2 days before their first match), this team will have to cover all related costs (accommodation, meals, and any other) for this additional day.

At this stage, Israeli National Federation have not provided their confirmed match schedule yet. Due to the current political situation in the country, the National Federation will have to decide where their 'home weekend' will be held, whether in Israel or in a neutral country. Further updates will be provided in due time.

We would like to inform that due to the situation in the country, the Ukrainian National Federation have informed the CEV that the CEV Volleyball European Golden League Women's matches that they are going to host on the 3rd weekend will take place in Radom (POL).

2. Accommodation of the Visiting Teams during the League Round

Since the competition is being played in a "tournament format" with single matches, rules related to accommodation and meals of the visiting teams have been adjusted accordingly – and they will follow the same principles applied for all other CEV National Team competitions played as tournaments. This means that the Organiser of each respective 'home weekend' is bearing the accommodation and meal costs for the visiting teams during their stay according to the CEV Volleyball Competitions Regulations.

3. CEV Forms 04 / 08 / 09

The respective CEV Forms 04 / 08 / 09 will be created inside the CEV database and will be made accessible in due time:

CEV Form 04

The 04 Forms will be created with the respective deadlines scheduled for:

- Women: Monday, 28th April 2025 at 23:59 CEST
- Men: Monday, 5th May 2025 at 23:59 CEST

All participating National Federations are required to register all potential players by applying for player licenses using the CEV 04 form within the set deadline.

The participating National Federations can add an unlimited number of players and after the given deadline, the insertion of additional licenses will not be possible.

CEV Form 08

For each 'home weekend' there will be only one CEV Form 08. This form will be created, filled in and closed by the CEV Office no later than 14 days before the first match of the respective weekend.

Among the 3 International Referees appointed by the ERC, one will be local (from the NF organizing the tournament).

If the hosting National Federation will use an approved Challenge System, the nominated CEV Challenge Referee contact details will be inserted in the respective 08 form. Please be reminded that for a request to use Challenge System, the latest date to inform the CEV Office (referee@cev.eu) is Friday, March 14th, 2025.

CEV Form 09

Each team will have a respective form for each match within a weekend to complete, which has to be closed according to the deadline indicated inside this form.

4. Arrival of the CEV Supervisors and the CEV International Referees

League Round

All the CEV Officials (CEV Supervisors & CEV International Referees, and CEV Challenge Referee when applicable) will arrive -1 day before the first match of the 'home weekend'. If the respective CEV Officials cannot arrive according to the above-mentioned rule, the CEV will organise their arrival at -2 days.

The local International Referee appointed by the ERC will have to arrive on site same time (-1day) like the other International Referees, and Challenge Referee if applicable.

Final Four

The CEV Officials (CEV Supervisors & CEV International Referees) arrival will be organised by the CEV Office according to the [CEV Volleyball Competitions Regulations](#) (See Art. 55 §1 and §4).
